A kindergarten teacher has been sentenced to a prison term on the charge of habitual child abuse on her three-year-old students.

The Incheon District Court handed down a six-month imprisonment term suspended for two years to the kindergarten teacher indicted for violating the Act on Punishment of Child Abuse Crimes. The court also ordered a 40-hour prevention course on child abuse to the suspect.

The suspect was accused of repeatedly abusing three-year-old kids at the kindergarten located in Yeonsu-gu, Incheon from March 21 to April 21, 2017.

There are nine more cases of child abuse as an idol dispatched by the government...

Recommended articles

Using Agencies :

- ❑ Not easy for the parents to trust the caregiver sent from the agency
- ❑ Requires money

Finding among friends and families :

- ❑ Hard to find someone who is available
- ❑ Not easy to ask for a favor more than once

Overview of the solutions

- ❑ Find babysitters using computers or mobile phones.
- ❑ Enable direct communication between parents and babysitters through messages
- ❑ Enhance the sitters' credibility by
 - i) checking criminal record of the sitter
 - ii) rating system and service review

Key Features

- ❑ Post/Search a job opening and job hunting
- ❑ Filters system
- ❑ Messaging system
- ❑ Send application in a job opening post
- ❑ Review and rating system
